www.shipping-safety.com

Dear Sir, Madam,

It gives us immense pleasure and pride to introduce you our company, Shipping Safety.

We are a Safety Service Company with the mission of providing innovative service and a vision of serving customers across the globe.

We are a customer centred service company. We specialize in service on firefighting and lifesaving appliances. We value our quality of service, ethic and environmental values and strive to be our customers preferred Safety Service Supplier. We believe in providing quality service to our customers to earn loyalty and trust.

We have a team of highly competent service technicians capable to provide multi-brand services on all you're portable and fixed firefighting equipment, portable and fixed lifesaving appliances, portable and fixed gas detection and much more.

Our office is located in the centre of the Rotterdam port which is the biggest port in Europe and the gateway to northern Europe. We are capable of providing mobile services for almost all types of inspections therefor not limited to the port of Rotterdam.

We, shipping safety are approved by all major classification societies, we are highly equipped and completely ready to serve both national and international customers.

If you have questions or if you want to send a request than please send it to info@shipping-safety.com

With best regards,

T.M. Top-Rietdijk
General manager

'Takes responsibility for safety at sea'
