## EXPORT - AIR CARGO & TRANSPORTATION

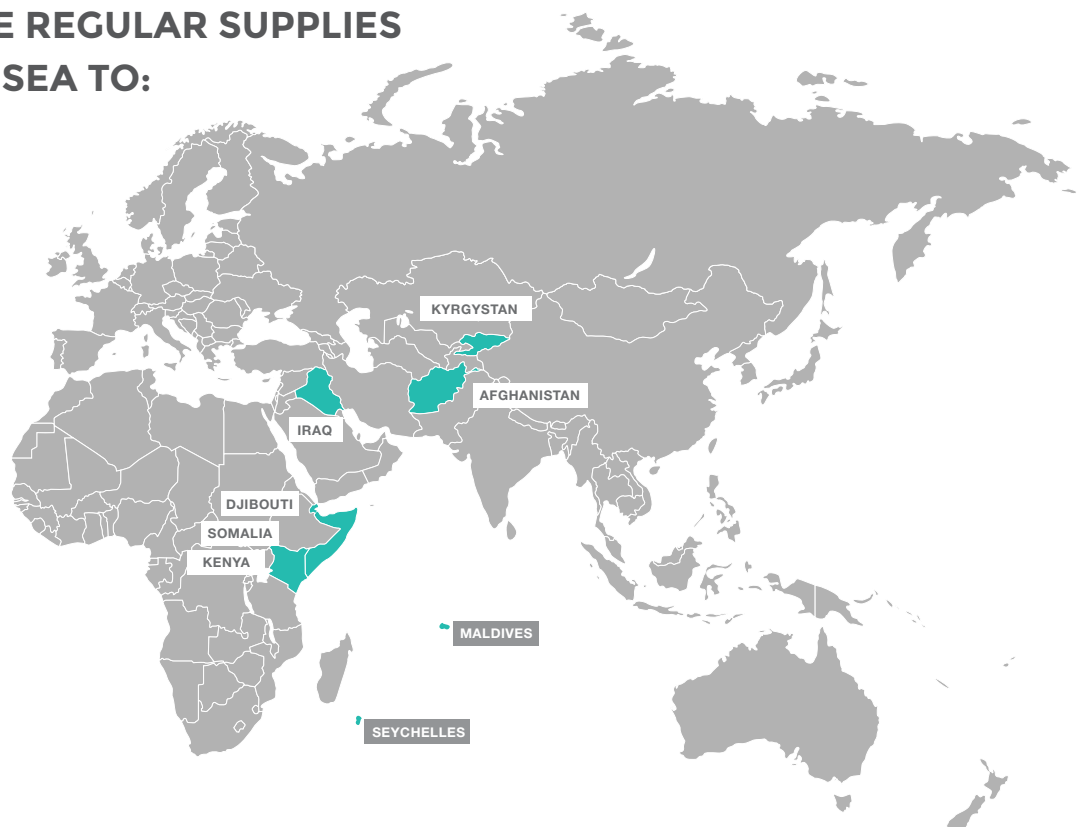

At OFI, we can arrange for airfreight operations worldwide. We specialize in services all over the Middle East, Central Asian Republics, South West Asia and Africa. We can arrange full charters at a short notice and deliver consignments to remote locations with ease.

Air consignments for food products are sent in specially designed Tri-walls with dry ice, in order to maintain product integrity for all frozen and chilled items up to 72 hours. In addition, OFI provides daily airlifts for NATO catering con-

tracts with supplies to the US Air Base in Afghanistan and Kyrgyzstan, and for the Australian, British, South Korean, German, and Dutch Navies in Djibouti. We also export UN supplies to Kenya, Somalia, and Sudan.

Our dedicated team is available 24/7 to provide round the clock service. We encourage our customers to look at us as a 'one stop shop' to meet all their requirements for food and non-food products including engineering supplies for maintenance, repairs and operations.

### WE PROVIDE REGULAR SUPPLIES BY AIR AND SEA TO:

# Ship Supply

## OVERVIEW

OFI stocks a vast array of provisions, deck and cabin stores to cater to the diverse preferences demanded by the marine and offshore industry. Having acquired over 40 years of invaluable experience in the shipping industry, our expert and well-reputed team ensure that each and every discerning client is provided with exactly what they need, at any time, in any location.

Our commitment to this ethos, coupled with our expert team and expansive network in the region, has enabled us to establish solid, trusted, and long-lasting relation-

ships with some of the world's leading vessel fleets, ship management companies, ship owners and captains alike, all whilst remaining fully compliant with the high demands of today's food supply chain and international food safety standards. OFI currently serves some of the largest fleets of merchant vessels, cruise ships and international navies.

We provide a complete range of food and non-food products, ranging from deck and engine stores to fire and safety equipment.
