

ABOUT US

- ◆ VIRTUS GmbH was founded 1977 in Hamburg and taken over by Rolf Kläcke in October 1991.
- ◆ In 2004 an office building and warehouse with workshop was established at the location Osten.
- ◆ Today 24 people are employed by VIRTUS GmbH - purchasing + sales staff as well as project engineers + service technicians.
- ◆ Our core business is engineering + project consultancy and storage + distribution of significant spare parts to industries, yards, owners, operators and ship suppliers.
- ◆ Other major activities are delivery, installation, engineering, service and repair of waste water and vacuum sanitary systems, wet and dry waste treatment plants, pump units (Azcue), HFO-booster, pre-heating and transfer units, fuel handling systems (Auramarine) and stainless steel push-fit pipe system (Blücher) as well as ballast water treatment systems.

REPRESENTATION / PARTNER

Genuine products

BOMBAS AZCUE

Screw-, Self Priming-, Centrifugal Pumps for Sea & Fresh & Bilge & Waste Water, Sludge & Oil, Hydrophore Units

AURAMARINE

HFO-Booster, Pre-Heating, Transfer Units, MGO-Handling Systems for low Sulphur, Turbine Lubricating Oil Units

AQUAMAR

Sewage Plants (MSP STP MSD), Genuine Spare Parts

YAMADA

Air Driven Pneumatic Diaphragm Pumps for all kinds of Liquids

MEGATOR

Positive Displacement Pumps for Oil & Sludge, Hydrophore Units, Oil Recovery Equipment

ME PRODUCTION

Marine Exhaust Technology - Scrubber for SOx and NOx Reduction, Toppenberg Steel Construction & Machining, Mekanord - Marine Reduction Gearboxes, Controllable Pitch Propulsion (CPP) Systems & Service for Wind Turbine Gearboxes and Marine Gearboxes

MARINFLOC

Cert. Sewage Treatment Plants MEPC 227(64) for Sea Going Vessels (IMO), Whitebox, Oily Water Separators

ROEDIGER VACUUM

Airvac® - Roediger® - Roovac® Vacuum Technology and Vacuum Sanitary Products

BLÜCHER

Stainless Steel Marine Drain & Pipe Push-Fit-Joint System for Grey & Black Water, Vacuum & Gravity, EuroPipe

QUALIFIED SERVICE FOR Marine ♦ River Cruiser Offshore (certified)

Consulting, Engineering, Maintenance, Repair, Cleaning, Replacement and Upgrade, Start-Up, Check and Tests as well as Spare Part Deliveries ...

Vacuum Pipes Design, Technical Drawings and Pipe Diagrams, Installation Check On-Site, Start-Up, Maintenance, Cleaning, Optimizing, Vacuum Test, Installation and Design of Automatic Aeration and Dosing Systems

Vacuum Sanitary Technology Consulting, Design, Cleaning, Upgrade, Vacuum Tightness Test, Installation Check, Sanitary Installation of Toilets, Urinals, etc., Lift Stations, Education

Sewage Plants Tests, Maintenance, Upgrade, Repair, Instructions, Service Plans, Design, Measurements, Start-Up, Adjustments, Odour Elimination, Drawings, Manuals

Pumps, Blowers, Dosing Pumps Repair, Maintenance, Check

Dry & Wet Waste Systems Design, Maintenance, Repair, Technical Instruction

Offshore Service Since 2010 our staff is certified to work on offshore platforms

SCOPE OF SPARE PARTS

Pumps

Allweiler	Victor	Kracht	Sihl
AquaMar	Evac	Vogelsang	Taiko
Behrens	Grundfos	Leistritz	Wilo
Börger	Herborner	Megator	Yamada
Bombas Azcue	Hamworthy	Orpu	Seepex
Desmi	IMO	Oddesse	Netzsch
Kral	IRON	ProMinent	

Vacuum & Sanitary

Airvac	Gustavsberg	Wärtsilä	Roediger
Grohe	Triton Format	Keramag	Hamworthy
Triton Belco	Evac	JETS	
Electrolux	IFÖ	Envirovac	

Sewage Treatment Plants & Grease Traps & Separators

Aquachem	AquaMar	Orca	Envirovac
Evac	DVZ	Format Chemie	Gertsen&Olufsen
RWO	PureBlue	Hamworthy	

Separators / Purifiers

Alfa Laval	RWO	DVZ	Westfalia
------------	-----	-----	-----------

Blowers

Hamworthy	Rietschle	Nash	Orpu
AquaMar	Elmo	Siemens	Elektor
			Gardner Denver

Pneumatic, Hydraulic & Electric

ABB	Bürkert	Danfoss	Lucifer
Moeller	Telemecanique	Parker	Schneider
Siemens	Omron	Trafag	

Compressors

Bock	Hamworthy	Aquamar	Idromar
Bitzer	Hatlapa	Gefico	Peter Taboada
Atlas Copco	Sauer & Sohn	RWO	

Filter

Auramarine	Piping Systems	Dry- & Wet-Waste	Booster Moduls
Moatti	Blücher	Norsk Inova	Auramarine
Boll & Kirch	Loro	Vimex	
	Georg Fischer	Uson Marine	

Operating Fluid

Chlorine, Disinfectant Antifoam, Enzyme, Descaling, Biological Additives, Neutralizer, Testkits (pH, Chlorine, Ozone etc.)

Pumps / Blowers

Waste-, Sewage-, Chemical-, Sea- + Freshwater, Screw-, Submersible Pumps, Vacuum Pumps etc.

Other

Fittings, Valves, Shut-Off Valves, Ball Valves, Hoses (acc. to DIN, ISO, JIS, ANSI), Flow meters (Aquametro)

1.200 parts on stock

VIRTUS PRODUCTS Examples

SMELL KILLER

VADS Vacuum Automatic Dosing System
