

WHO ARE WE?

We are port operators dedicated to offer maritime services in several Colombian ports. We strive to satisfy the needs of our customers in a proper and efficient way. Since 2014 we took the decision of expanding our portfolio through the Colombian industrial area, diversifying our service offer, venturing into the field of industrial safety with a focus on the installation of fixed and portable fire-fighting systems and the refueling and maintenance of fire extinguishers.

— NAVAL SERVICES —

- Recharge and maintenance of fixed firefighting systems.
- Sale of pyrotechnics.
- Safety equipment.
- Trash unload.
- Food supply.
